a classic that has set thousands of investors on a straight path since it was first published chicago tribune this gimmick free irreverent and vastly informative guide shows how to navigate the turbulence on wall street and beat the pros at their own game

publisher fact sheet the first history of wall street ranging from 18th century sidewalk traders to the billion dollar computer driven colossus of today

a major contribution on the behavior of common stocks in the united states financial analysts journal the consistently bestselling what works on wall street explores the investment strategies that have provided the best returns over the past 50 years and which are the top performers today the third edition of this businessweek and new york times bestseller contains more than 50 percent new material and is designed to help you reshape your investment strategies for both the postbubble market and the dramatically changed political landscape packed with all new charts data tables and analyses this updated classic allows you to directly compare popular stockpicking strategies and their results creating a more comprehensive understanding of the intricate and often confusing investment process providing fresh insights into time tested strategies it examines value versus growth strategies p e ratios versus price to sales small cap investing seasonality and more

an insider points out the holes that still exist on wall street and in the banking system exile on wall street is a gripping read for anyone with an interest in business and finance u s capitalism the future of banking and the root causes of the financial meltdown award winning veteran sell side wall street analyst mike mayo writes about one of the biggest financial and political issues of our time the role of finance and banks in the us he has worked at six wall street firms analyzing banks and protesting against bad practices for two decades in exile on wall street mayo lays out practices that have diminished capitalism and the banking sector shares his battle scars from calling truth to power at some of the largest banks in the world and how he survived challenging the status quo to be credited as one of the few who saw the crisis coming blows the lid off the true inner workings of the big banks and shows the ways in which wall street is just as bad today as it was pre crash analyzes the fallout stemming from the market crash pointing out the numerous holes that still exist in the system and offers practical solutions while it provides an education this is no textbook it is also an invaluable resource for finance practitioners and citizens alike

the wall street waltz introducing the new fisher investment series comprised of engaging and informative titles written by renowned money manager and bestselling author ken fisher this series offers essential insights into the worlds of investing and finance any investor who fails to read and heed ken fisher s book will have only himself or herself to blame if he loses his shirt in the market using simple words and dramatic charts fisher packs a whole financial education into one neat package james w michaels editor emeritus and group vice president editorial forbes inc ken s book vividly presents a complete picture of the stock market s history a vital tool for the savvy investor charles r schwab founder chairman and ceo the charles schwab corporation if a picture is worth a thousand words then these charts could be worth your life savings william e donoghue chairman w e donoghue co inc ken fisher s clear insightful analysis makes this a compelling book for information and entertainment this is a book to turn to again and again and again david dreman founder chairman and cio dreman value management llc

unravel the mysteries of the financial markets the language the players and the strategies for success understanding money and investing has never been more important than it is today as many of us are called upon to manage our own retirement planning college savings funds and health care costs up to date and expertly written the wall street journal complete money and investing guidebook provides investors with a simple but not simplistic grounding in the world of finance it breaks down the basics of how money and investing work explaining what must have information you need to invest in stocks bonds and mutual funds how to see through the inscrutable theories and arcane jargon of financial insiders and advisers what market players investing strategies and money and investing history you should know why individual investors should pay attention to the economy written in a clear engaging style by dave kansas one of america s top business journalists and editor of the wall street journal money investing section this straightforward book is full of helpful charts graphs and illustrations and is an essential source for novice and experienced investors alike get your financial life in order with help from the wall street journal look for the wall street journal complete personal finance guidebook the wall street journal personal finance workbook the wall street journal complete real estate investing guidebook

one of history s top selling investment guides 800 000 copies sold is now updated for a new generation of investors praise for previous editions of understanding wall street one of those rare publications that delivers exactly what it promises

consistently good barron s among the best for the novice investor los angeles times a good practical education on the stock market business opportunities digest over the past quarter century understanding wall street has helped investors at every level understand exactly how the stock market works and how they can build strong portfolios while limiting their exposure to risk now completely updated to help investors prosper in the new no limits market environment the little green book includes two all new chapters updated charts and graphs and nearly 40 percent updated revised or new material strategies for uncovering valuable investment information on the internet analysis and explanation of the recent market crash and how to avoid similar disasters

a timely counterintuitive defense of wall street and the big banks as the invisible albeit flawed engines that power our ideas and should be made to work better for all of us maybe you think the banks should be broken up and the bankers should be held accountable for the financial crisis in 2008 maybe you hate the greed of wall street but know that it s important to the proper functioning of the world economy maybe you don t really understand wall street and phrases such as credit default swap make your eyes glaze over maybe you are utterly confused by the fact that after attacking wall street mercilessly during his campaign donald trump has surrounded himself with wall street veterans but if you like your smart phone or your widescreen tv your car or your morning bacon your pension or your 401 k then whether you know it or not you are a fan of wall street william d cohan is no knee jerk advocate for wall street and the big banks he s one of america s most respected financial journalists and the progressive bestselling author of house of cards he has long been critical of the bad behavior that plagued much of wall street in the years leading up to the 2008 financial crisis and because he spent seventeen years as an investment banker on wall street he is an expert on its inner workings as well but in recent years he s become alarmed by the cheap shots and ceaseless vitriol directed at wall street s bankers traders and executives the people whose job it is to provide capital to those who need it the grease that keeps our economy humming in this brisk no nonsense narrative cohan reminds us of the good these institutions do and the dire consequences for us all if the essential role they play in making our lives better is carelessly curtailed praise for william d cohan cohan writes with an insider s knowledge of the workings of wall street a reporter s investigative instincts and a natural storyteller s narrative command the new york times cohan is one of our most able financial journalists los angeles times a former wall street man and a talented writer cohan has the rare gift not only of understanding the fiendishly complicated goings on but also of being able to explain them in terms the lay reader can grasp the observer london

the definitive guide for main street readers who want to make sense of what s happening on wall street and better understand how we got here and what we need to know to in days to come written by seasoned financial writer dave kansas this official wall street journal guide will be filled with practical information revealing what the crisis means for reader s financial lives and what steps they should be taking now to inform and protect themselves

wall street is a funny business all you have is your reputation taint it and someone else will fill your shoes longevity comes from maintaining that reputation ask jack grubman the all star telecom analyst from salomon smith barney uber banker frank quattrone at cs first boston morgan stanley s mary queen of the net meeker or merrill lynch s henry blodget well they probably won t tell you anything but have i got some great stories for you successful hedge fund manager andy kessler looks back on his

years as an analyst on wall street and offers this cautionary tale of the intoxicating forces loose in the world of finance that overwhelmed sober analysis

provides a complete stock market chronology of the past 100 years tracing the dow jones advance 28 to 2800 and including commentary on historic market forces it also offers investors summaries comparisons and yearly retrospects of long trends and a seasonal almanac of monthly trends

when the 1974 recession hit wall street investment professionals desperately turned to academia to help regain the value of their clients holdings bernstein shows how wall street finally embraced the advences wrought in academic seminars and technical journals tht ultimately transformed the art of investing

traces the history of money and discusses stocks bonds mutual funds futures and options

the definitive look at wall street in the 19th century perhaps the 19th century s best book on wall street fifty years in wall street provides a fascinating look at the financial markets during a period of rapid economic expansion henry clews was a giant figure in finance at that time and his firsthand account brings this colorful era to life like never before he reveals shocking stories of political and economic manipulation and how he helped bring down the mighty boss tweed he writes eloquently about the madness of the markets and how the era s greatest speculators amassed their fortunes this book provides an expansive view of wall street in an era of little regulation rampant political corruption and rapid financial change henry clews was born in england in 1836 and emigrated to the united states in 1850 in 1859 he cofounded what became the second largest marketer of federal bonds during the civil war later he organized the committee of 70 which deposed the corrupt tweed ring in new york city and served as an economic consultant to president ulysses grant

m a dealmaker s real life adventure tale tells the story of a turbulent period on wall street surviving wall street a tale of triumph tragedy and timing portrays the dramatic transformation of the investment banking business in recent decades through the tumultuous saga of one firm greenhill co a specialist in mergers and acquisitions and one man scott bok the longtime ceo of that firm written in the style of an adventure tale this book is also a coming of age story for a naive young man who came to wall street as thousands like him do each year and managed to grab a front row seat for a period of epic change readers will gain an insider s perspective on a m a firm s journey from start up to wildly successful first of a kind ipo and later to a sale to a major global bank numerous crises that rocked greenhill and all of wall street including the dot com crash global financial crisis and pandemic how the creation of new firms and mergers or collapses of old ones have driven the evolution and growth of the industry the author s role in a battle for control of the university of pennsylvania that featured activist shareholder and corporate takeover tactics a firsthand account of deals and dealmakers told from inside the boardroom surviving wall street will captivate those wanting to understand the dramatic evolution and expansion of wall street as well as younger readers hoping to chart their own path to success in this darwinian industry

in take on the street arthur levitt chairman of the securities and exchange commission for eight years under president clinton provides the best kind of insider information the kind that can help honest small investors protect themselves from the deliberately confusing ways of wall street at a time when investor confidence in wall street and corporate america is at an historic low when many are seriously

questioning whether or not they should continue to invest levitt offers the benefits of his own experience both on wall street and as its chief regulator his straight talk about the ways of stockbrokers they are salesmen plain and simple corporate financial statements the truth is often hidden mutual fund managers remember who they really work for and other aspects of the business will help to arm everyone with the tools they need to protect and enhance their financial future

jonathan a knee had a ringside seat during the go go boom and bust decade and into the 21st century at the two most prestigious investment banks on wall street goldman sachs and morgan stanley in this candid and irreverent insider's account of an industry in free fall knee captures an exhilarating era of fabulous deal making in a free wheeling internet economy and the catastrophe that followed when the bubble burst populated with power players backstabbers celebrity bankers and godzillionaires here is a vivid account of the dramatic upheaval that took place in investment banking indeed knee entered an industry that was typified by the motto first class business in a first class way and saw it transformed in a decade to a free for all typified by the acronym ibg ybg i'll be gone you'll be gone increasingly mercenary bankers signed off on weak deals knowing they would leave them in the rear view mirror once investment bankers prospered largely on their success in serving the client preserving the firm and protecting the public interest now in the financial supermarket era bankers felt not only that each day might be their last but that their worth was tied exclusively to how much revenue they generated for the firm on that day regardless of the source today most young executives feel no loyalty to their firms and among their clients knee finds an unprecedented but understandable level of cynicism and distrust of investment banks brimming with insight into what investment bankers actually do and told with biting humor and unflinching honesty the accidental investment banker offers a fascinating glimpse behind the scenes of the most powerful companies on wall street
